## Wrestling Champion

Wrestling is one of those sports that requires a lot of body control. It isn't enough to be able to run, jump, or throw. You have to be able to use your neck, your back, your arms, your legs, and everything else that you can control to help you to win a match. One of the staples of a good wrestling practice is tumbling in the warm up. People often recognize the value of signing children up in gymnastics, but many people are unaware that there are a lot of tumbling and gymnastics movements that are a part of wrestling practice.

Our school participated in Zonal Level Wrestling Competition which was held on 2nd September 2023 at SBV Pooth Kala Delhi. Aditya of Class -X won the Gold Medal.
