RAMA VIHAR, DELHI - 110081

*(Affiliated to CBSE and Recognised by Directorate of Education)*

# ENGLISH

## Instructions

- \*Do neat and clean handwriting.
- \*Make a separate notebook writing.

1. write one writing page daily.

## MCB

2. Revise chapter 1, and poem-star for UT

\*Read chapter 2,3,4,5

3. Ten difficult word from 1 to 6
4. fill the worksheet chapter -1 to 4

## English Grammar

4. Revise chapter -7 to 10
5. Complete worksheet- ch-4,5,6

6. Make a chart-

.Noun - roll no. [1 to 10](#)

.Adjective -roll no.11 to 20

Pronoun -roll no. 20 to 30

# हिन्दी

वाटिका से

पाठ -1,2 याद करें शब्दार्थ प्रश्न उत्तर पुस्तक कार्य ।

राम कथा पाठ-1, 2 पढ़िए

भाषा चयन व्याकरण से

पाठ -1,2 याद करें पुस्तक कार्य और प्रश्न उत्तर ।

सुलेख लिखो पांच पेज कॉपी में हिंदी की किताब वाटिका से

T I M बनाएं

Roll no

1 to 10 भाषा

11 to 20 संज्ञा

21 to 35 सर्वनाम

## MATHS

### Part A: Points, Lines, and Planes

#### 1. Identification

- Look at a diagram of a line and answer the following:
  - Name four points on the line.
  - Name the line in three different ways.
  - Identify two rays starting from the same endpoint.
  - Identify three different line segments.

#### 2. True or False

- A line has a definite length. (\_\_\_\_)
- A ray has only one endpoint. (\_\_\_\_)
- An infinite number of lines can pass through a single point. (\_\_\_\_)
- Only one line can pass through two distinct points. (\_\_\_\_)

#### 3. Intersecting vs. Parallel

- Draw the following:

- Two lines that are parallel to each other.
- Two lines that are intersecting.
- Three lines that are concurrent (meeting at a single point).

## Part B: Understanding Angles

### 4. Naming Angles

- In a triangle ABC:
  - Name the angle formed at vertex B using three letters.
  - Identify the vertex and the two arms of angle BAC.

### 5. Types of Angles

- Classify the following angles as Acute, Obtuse, Right, Straight, or Reflex:
  - 45 degrees: \_\_\_\_\_
  - 120 degrees: \_\_\_\_\_
  - 90 degrees: \_\_\_\_\_
  - 180 degrees: \_\_\_\_\_
  - 250 degrees: \_\_\_\_\_

### 6. Measurement and Construction

- What is the measure of a complete turn (a full circle)?
- If an angle is half of a right angle, what is its degree measure?
- Using a protractor, draw an angle of 75 degrees and label it angle XYZ.

## Part C: Polygons and Circles

### 7. Closed and Open Curves

- Draw a simple closed curve made only of line segments. What is this shape called?
- Draw an open curve.

### 8. Parts of a Circle

- Define or label the following parts on a circle with center O:
  - Radius
  - Diameter
  - Chord
  - Arc

## Part D: Practical Application

### 9. Real-world Geometry

- Give an example of parallel lines found in your home.
- Give an example of perpendicular lines found in a window frame or book.

### 10. Clock Angles

- What type of angle is formed at the following times:
  - 3:00: \_\_\_\_\_
  - 6:00: \_\_\_\_\_
  - 1:00: \_\_\_\_\_

## SCIENCE

1) Learn chapter 1 and 2 for UT 1

2) Make a model of different habits (by using waste material)eg. Terrestrial habits/Water habits (help page no29)

Roll no 1 to15

3) Make a model for balance diet (like balanced plate or food pyramid)

(Help page no 54) Roll no 16 to last roll no

Draw a tree and paste 5 leaves on it and write 5 good deeds (like help parents) on each leaf.

## SOCIAL SCIENCE

- Learn and write all chapters done in class till 8/05/2026, in rough notebook.
- Learn questions answers and bookwork from all chapters done in class till 8/05/2026.
- Make a presentation on GLOBAE with the help of given questions –a) The total number of longitudes are....
  - b) The total number of latitudes are.....
  - c) The value of the prime meridian is.....
  - d) Tropic of cancer is located at.....
  - e) Tropic of Capricorn is located at.....
- f) On globe the 0 degree .
  - Create a family chart or design a poster on “My role in community “.

संस्कृत

प्रश्न1 . पाठ 1- वंदना का हिंदी अनुवाद याद करें!

प्रश्न2 . पाठ -2 , 3 के प्रश्न -उत्तर , शब्दार्थ, अभ्यास कार्य याद करें!

प्रश्न3 . पठ् धातु लट् लकार) वर्तमान काल (तथा लोट् लकार) भविष्यकाल (में लिखे व याद करें)!A4 size sheet)

प्रश्न4 . बालक , लता , फल शब्दरूप लिखें व याद करें)!A4 size sheet)

प्रश्न5 . अपनी पाठ्य पुस्तक संस्कृत में से पांच फल व पांच पशु, पांच पक्षियों के नाम संस्कृत में) A4 size sheet पर( लिखें तथा चित्र भी बनाएं!

प्रश्न6 . मम् परिचय संस्कृत में लिखें व याद करें)!A4 size shee)

प्रश्न7 . 1 से 10 तक संख्या संस्कृत में लिखें व याद करें)!A4 size sheet)

## G.K

1. Learn Ch-1 A Morning with Vincent' Grandpa of being noble and Unit 1 and Unit 2 of g.k.

2. Write 5 lines each on famous personalities:

- Dr. APJ Abdul Kalam
- Rani Laxmibai

(Do this work in your m.ed. notebook)

3. Make a small "Kindness Tree".

Draw a tree and paste 5 leaves on it and write 5 good deeds (like help parents) on each leaf.

(Do this work in your m.ed. notebook)

## COMPUTER

1. Learn Book work & Question answers of Chapter-1, 2
2. Draw a Flow Chart for Making Omelette from Book (Page No-8) on A-4 Colour sheet.

### DRAWING (CREATIVE KIDS)

1) Make a craft from waste plastic bottle.

Note- Make a poster according to your role number.

1 to 8 poster on say no to plastic

9 to 16 poster on clean Yamuna

17 to 24 poster on save water

25 to 32 poster on Swatch Bharat
